

# Colorado Flower Collective

We are so glad you're interested in using locally grown Colorado flowers for your event!  
We work with 30+ area farms to provide seasonal flowers and foliage to local designers and visiting florists.

**Open 7am-1pm**  
**Wednesdays February-December**  
**and Fridays May-October**

Our pre-booking process is outlined for you below.

## The Process:

1. Fill out the Application and Purchase your Buyer's Pass:  
<https://www.coloradoflowercollective.com/buyers-1>
2. We'll create an account for you to access our online shop. Keep an eye out for an email with a link to set up your password.
3. Check the Catalog in the online shop to see what's in season at the time of your event. You can use the filters on the left side to narrow things down by month/color/shape. Clicking on individual items can give more information about availability, whether it's expected early or late in a given month, and how many stems per bunch.
4. Email us your Wishlist at least two weeks prior to your desired pickup date. Please include the item, color, and quantity desired.
5. We'll let you know what we expect and what we don't expect, so we can work with you on substitutes or you can source must-have items elsewhere.
6. We reserve your ordered items with the growers.
7. We'll email you an itemized order confirmation 9 days prior to your pickup date, showing what we were able to secure. This will come through on Monday evening the week **before** your pickup. Ex: a Wednesday 6/14 order will receive an order confirmation on Monday 6/5.
8. Payment is due at the time of pickup via check or credit card.

## More Info:

The online shop will open with additional availability on Tuesday morning at 8am MST after you receive your confirmation. We encourage you to pop in and see if there are any other items you'd like to add to your order. You can simply put items in your cart and place the order online. We'll make sure your online order and pre-booked order end up together.

We always have extra market bunches to shop from in person when you pick up your order.

Please bring your own buckets. If you do not have buckets, your items will be wrapped or you can opt to take your bunches in our buckets for a \$6/bucket fee.
